He has undergone various trainings like Basic airport handling, Sabre Ascii, Basic Load & Trim training, Dangerous Goods & Regulation training, aviation training, Airside safety and Telephone etiquette training

Conclusion

We are highly selective about our trainers, as we believe that they play a very vital and integral part of transforming candidates to the industry expectations. Our trainers are highly motivated, and passionate in what they do, committed in helping our candidates realize their potential to become exceptional cabin crew.

Our strength lies in our people; therefore we place immense importance on the person and in identifying the right candidates with all the attributes inherent in a good human being. We ardently believe that cabin crew attitude can be his or her valuable asset or greatest liability. So we first believe in good human beings then good cabin crew.
